

PELTECH LLC

RECYCLING AND DISPOSAL

Looking to get rid of some old e-waste? PelTech will come by and collect the devices at your convenience and properly dispose of them. Please review our E-Waste policy located here prior to ordering this service.

E-Waste Recycle: Got some old tech you're not sure what to do with? We will take it off your hands. We charge a flat-fee of \$25.00 and will take that old tech from you. Note: Please review our E-Waste Policy

SMALL BUSINESS SUPPORT

PelTech is here to support not only our community but also local small businesses in the Burke and Fairfax area. If you've been turned off by the high cost of hiring a dedicated MSP, PelTech can help fill that gap with affordable solutions.

Services we provide to Small Businesses:

- Server Deployment (e.g., custom solutions, rack management)
- Windows / Linux Administration
- Networking Services
- Printer Support
- Security Systems (AV Recording, NVR, etc.)
- Cyber Security support
- Cloud Services
- On-Site Data / NAS Support
- Web Services (e.g., web design, hosting support, etc.)
- as well as all the other services listed in this packet.

As a small business ourselves, we understand the challenges of fluctuating costs. We're here to offer professional, affordable, and reliable tech support to help your business thrive.
